In 9v9 format games, seven (7) players are required to start and continue the game. In 7v7 format games, five (5) players are required to start and continue the game. - f. At half time by either team

20. Team Discipline - Misconduct of Youth Players/Coaches/Assistant Coaches

1. Member Associations, Playing leagues and Tournament Officials may institute their own "CUMULATIVE CARD SYSTEM" for players/coaches and assistant coaches or additional sanctions as they see appropriate. Appeals of cards are not allowed except when the referee admits he made an error in the issuance of the card. Sanctions for misconduct will remain within the competition where they are earned.

2. Yellow Cards A player receiving a second yellow card in a single game is suspended for the balance of that game and the next game within that competition.

3. Red Cards A player receiving a red card or a coach/assistant coach who is sent off is suspended for the balance of that game and the next game within that competition.

21. **All referee decisions are final. No protests will be allowed, except for ineligible player.**

22. Per USSF Guidelines: **Players in 11U programs and younger shall not engage in heading**, either in practices or in games. In adherence to these new requirements, referees have been instructed by U.S. Soccer of the following rule addition: When a player deliberately heads the ball in a game, an indirect free kick (IFK) should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred.

23. Build Out Lines for 7v7: There is no punting for the playing format of 7v7. The keeper can release the ball by throwing, rolling the ball outside of the goalie area or placing the ball on the ground and kicking the stationary ball. The ball may NOT be moving before the kick is taken. All opposing players must be behind the build out line. Once the ball is placed on the ground by the keeper for a stationary kick, the ball becomes live in play once the ball makes a forward motion.

24. There will be NO use of any Video Assistant Referee (VAR) system or spectator video.

25. There will be NO use of Unmanned Aerial Devices (UAS), or drones. Following directives from other youth soccer organizations, namely U.S. Youth Soccer, which states "the use of unmanned aircrafts are not to be at activities of events...for youth soccer players" and FAA restrictions for UAS, which includes a restriction stating UAS's "cannot fly over people not involved in the device's operation"; it has been decided that all types of unmanned aircrafts, including drones, will not be allowed to fly over the tournament.

Winter Cup 2025 Tournament Rules

26. The Chairman of Cup & Games, tournament director, or their designee, is empowered to make all decisions regarding the competition during the tournament. The decision of the Chairman of Cup & Games or Tournament Director is final in all matters. No appeals will be allowed beyond that point.
27. In the event the referee or linesmen are missing from the field, report immediately to your Field Coordinator. In the event the linesmen are not available, each team is required to provide a "club linesman".

If you purchased event cancellation insurance, refunds are processed directly through the insurance company.
30. If a game is played into the second half but is stopped short of full time, other than acts on the part of one of the teams, the game shall be considered complete. Finals, if tied will be determined by the tiebreaker procedure. If the game is stopped due to the acts of one team or its spectators or a coach, player or spectator refuses to leave the complex, these acts (or refusals) may cause a game abandonment, which would be considered a forfeit by that coach's, player's or spectator's team and the final score would be recorded as a 3-0 win by the other team.
31. Net and Flags will be provided by the Tournament.
32. Any team that withdraws from a tournament less than two weeks from the start of the tournament or does not complete all required scheduled games, may forfeit their entry fee and performance bond, if one has been posted.
